Digital Access Codes for Textbooks

Students do not need to carry all of the physical text books to and from school each day. Students may decide to use their printed texts at home and use the digital version at school, or vice versa.

Oxford Humanities

Whilst, digital codes for Oxford are transferrable, this only applies for current editions. There is a new edition of Oxford Humanities for 2022. Therefore the digital code in previous editions of Oxford Humanities will no longer work. All students require the new edition of Oxford Humanities and should not buy this second hand for 2022.

Cambridge Maths & iTomo Japanese

Digital codes for these texts are not transferrable. If you purchase a second hand text book, you will also need to purchase a reactivation code to access the interactive digital resources. Please refer to the booklist.

Digital Access Accounts

Please do not create digital accounts for Oxford or Cambridge texts

MGSC provides students with their *Oxford Digital* and *Cambridge Go* account usernames and passwords.

Students can then add their Oxford and Cambridge textbook code to their MGSC account

Second-hand Textbooks *Please check the edition that is listed on the Campion booklist*
